

# tapa final ficha técnica datasheet

ref. 5550505

|                                              |                                  |
|----------------------------------------------|----------------------------------|
| Nombre / Name                                | Tapa final para carril trifásico |
| Referencia / Reference                       | 5550505                          |
| Materiales / Materials                       | PC                               |
| Difusor / Diffuser                           | -                                |
| Potencia / Power                             | -                                |
| Temperatura de color / Color temperature     | -                                |
| Flujo luminoso / Luminous flux               | -                                |
| Dimable / Dimmable                           | -                                |
| Ángulo de apertura / Beam angle              | -                                |
| Ángulo de inclinación / Inclination angle    | -                                |
| IP                                           | 20                               |
| IK                                           | -                                |
| F.P                                          | -                                |
| UGR                                          | -                                |
| IRC                                          | -                                |
| Chip                                         | -                                |
| Driver                                       | -                                |
| Vida media ( duración ) / Average life       | -                                |
| Clase energética / Energy class              | -                                |
| Aislamiento eléctrico / Electrical isolation | -                                |
| Colores / Colors                             | Blanco / Blanco                  |
| Medida exterior / Product size               | 33mm x 32mm x 31mm               |
| Medidas de corte / Cutting measurements      | -                                |
| Tª (ambiente/trabajo) / Tª (enviroment/work) | -                                |
| Input                                        | -                                |
| Output                                       | -                                |
| Frecuencia / Frequency                       | -                                |
| Peso / Weight                                | 8grs                             |
| Certificados / Certificates                  | CE RoHS TUV                      |
| Garantia / Warranty                          | 2 años / 2 years                 |
